25X1

On 30 April 1951, the occupation of the Eichhorn Kaserne and the Soviet komendatura in Frankfurt/Oder (O 53/V 63) was unchanged, whereas the other barracks installations were occupied only by rear details. *

25X1

- * Comment. The report indicates the completion of the movement of the 7th Gds Mecz Div from Frankfurt/Oder to the Lieberose training area.
 Previous information indicates that the Eichhorn Kaserne quarters troops of the GOFG.
